AMBICA INDUSTRY - PRODUCT CATALOG &

Manufacturers & Global Exporters of High Purity Dyes & Colorants
Established 1986 | Naroda, Ahmedabad, Gujarat, India

COMPANY PROFILE & ACCREDITATIONS

Ambica Industry is an ISO-certified, government-recognized manufacturer and exporter of premium synthetic dyes, organic pigments, and technical coloring solutions. Serving textile mills, paper manufacturers, leather tanneries, and wood stain formulators worldwide.

KEY PRODUCT PORTFOLIOS

1. Acid Dyes: For Wool, Silk, Nylon, Polyamide Fibers & Leather
2. Direct Dyes: High-Affinity Coloration for Cotton, Viscose & Kraft Paper
3. Reactive Dyes: Vinyl Sulphone, Cold, Hot, ME, and HE Dyes for Cellulosic Fibers
4. Leather Dyes: Penetrating and High-Fastness Formulations for Tanning & Finishing
5. Wood Stain Dyes: Transparent & Light-Fast Colorants for Furniture and Flooring

QUALITY CONTROL & LAB INFRASTRUCTURE

- Computerized Spectrophotometer Color Matching (Datacolor)
- Pre-shipment Certificate of Analysis (COA) with each export batch
- High batch-to-batch shade reproducibility (Delta E < 0.5)
- Stringent heavy metal & free aromatic amine screening
